

COVID-19 Safety Measures

During this time our priority is to ensure the safety of all our speakers, delegates, sponsors and exhibitors, and staff alike. Our teams have been working hard, implementing new measures to ensure we can operate in a safe manner, whilst maintaining the best possible experience.

We are continually reviewing and amending our Covid-19 procedures in line with government guidelines.

Hand-sanitisers

Utilise our hand-sanitiser units which are located conveniently around the venue for everyone to use.

Face masks

Although not mandatory, you are welcome to wear a mask whilst inside the building, masks will be provided for those who wish to wear one, please ask at the information desk at the entrance of the conference venue.

Greeting

Please keep greetings to a handshake and frequently wash your hands.

Symptoms

We hope you have a healthy stay with us, if you experience any COVID-19 symptoms please wear a mask and come to the information desk and we can provide you with a covid testing kit.

In Greece

Passengers arriving in Greece do not need to show a proof of COVID vaccination, a negative COVID test, or a certificate of recovery from COVID. You do not need to complete a Passenger Locator Form (PLF).

Mandatory requirement to wear a mask on public transport.

Precise rules are subject to change, and you should follow any instructions given on arrival at immigration or airport testing facilities. For more information, check the:

[Greek authorities' advice.](#)
